Sun, 17 Jun 2018 01:32:00 GMT - An audiobook (or talking book) is a recording of a text being read. A reading of the complete text is noted as "unabridged", while readings of a reduced version, or abridgement of the text are labeled as "abridged".. Spoken audio has been available in schools and public libraries and to a lesser extent in music shops since the 1930s.
