Wed, 06 Jun 2018 20:50:00 GMT - The EASA PPL requires a minimum of 45 hours flying training which includes at least 25 hours of dual flight instruction and 10 hours of solo flight time (of which 5 is cross country flying). A PPL allows the license holder to fly in UK and other European Airspace and many other countries (usually with a small conversion to a local license). There are many ground exams to complete which can be ...
