Tue, 07 Aug 2018 07:55:00 GMT - Overview. Comma splices are rare in most published writing but are common among inexperienced writers of English. The original 1918 edition of *The Elements of Style* by William Strunk Jr. advises using a semicolon, not a comma, to join two grammatically complete clauses, except when the clauses are "very short" and "similar in form", for example:
