Mon, 13 Aug 2018 08:09:00 GMT - Hugely argued against this book was the lack of contents of other worlds than the West. I do agree that the title of this book "a little history of the world" is a bit misleading in this sense. However, I ascertain that this is condonable as well, based on that fact that the author showed much efforts to cover the history of Asia and Middle East.
