Tue, 09 Oct 2018 18:50:00 GMT - A talking animal or speaking animal is any non-human animal that can produce sounds or gestures resembling those of a human language. Several species or groups of animals have developed forms of communication which superficially resemble verbal language, however, these are not defined as language because they lack one or more of the defining characteristics, i.e. grammar, syntax, recursion and ...

Thu, 11 Oct 2018 19:52:00 GMT - The talking stick, also called a speaker's staff, is an instrument of aboriginal democracy used by many tribes, especially those of indigenous peoples of the Northwest Coast in North America. The talking stick may be passed around a group, as multiple people speak in turn, or used only by leaders as a symbol of their authority and right to speak in public.
