Tue, 07 Aug 2018 18:32:00 GMT - Evander Holyfield vs. Mike Tyson II, billed as "The Sound and the Fury" and afterwards infamously referred to as "The Bite Fight", was a professional boxing match contested on June 28, 1997 for the WBA Heavyweight Championship. It achieved notoriety as one of the most bizarre fights in boxing history, after Tyson bit off part of Holyfield's ear.

- An eco-city is a city built from the principles of living within environment means. The ultimate goal of many eco-cities is to eliminate all carbon waste (zero-carbon city), to produce energy entirely through renewable resources, and to merge the city harmoniously with the natural environment; however, eco-cities also have the intentions of stimulating economic growth, reducing poverty, using ...
