Mon, 30 Sep 2002 23:56:00 GMT - Stories that Changed America (Seven Stories, 2000; 2003) One of the great things about America has always been its ability to be changed. To the casual observer there is a perception that this huge nation is constant and unchanging, but this collection of excerpts from writing of the 20th century is a great barometer of its flexibility. But it is also true that change never comes easy and that there are bad things about the country that are not changed yet.
